

Oil Africa 2008 CONFERENCE NEWSLETTER

Update: Issue 2
January 2008

The 3rd OIL AFRICA Expo & Conference will be upon us shortly. Once again the Conference Advisory Committee, led by Chairman of the South African Oil & Gas Alliance (SAOGA) Mr Steve Hrabar, has been working hard to put together a meaningful programme; we would like to thank them all for their time & input.

International Speakers:

We are delighted to announce the presence of 10 international speakers who will be presenting papers around the theme "Managing Change in African Oil & Gas Supply".

Sponsors:

None of this would be possible without the generous contributions from our sponsors & we are grateful to them for their assistance. We welcome again our Platinum Sponsor **PetroSA** as well as new sponsors **SASOL**, **Sonangol**, **Forest Oil**, **Schlumberger**, **Baker Hughes**, **Uhde & Petroleum Agency (SA)**.

Conference, 17-18 March:

Expo, 17-19 March:

As previously, there will be an international Expo featuring exhibits from all round the world as well as group stands from Russia, China & the UK. And of course, the best South Africa has to offer. Due to increasing demand we are now expanding into Hall 3.
