

WEST AFRICAN MINING & POWER CONFERENCE

WAMPOC 2008

JUNE 4 – 5, 2008, ACCRA, GHANA

CONFERENCE REGISTRATION FORM

Theme: Development through mining and power - a shared responsibility

WAMPOC 2008, the Conference accompanying the Mining and Power exhibition is showing for the 7th time. WAMPOC 2008 is the platform for discussing and debating the mining and power industries in the sub region. Leading experts from around the world will give papers on current trends in the industry from policy and legal through exploration, financing, risk management, integration, mergers and issues crucial to the industries, as well as country presentations from the various West African governments. A MUST event for all in the industry.
